December 4, 2009

Dear Colleagues in Kingdom Education,

How would you like a surprise gift for Christmas? At SBACS we constantly seek ways to add value to your school's membership. Although our dues have not increased in several years, the worth of your membership continues to increase. Here is the newest benefit for your school and students, a wonderful gift from ***Joshua Expeditions*** and SBACS just in time for Christmas.

SBACS has partnered with ***Joshua Expeditions***, a Christian company specializing in educational and missions-integrated travel. SBACS' partnership with ***Joshua Expeditions*** offers your school and students all the benefits of Christ-centered travel, both within the U.S. and abroad, and now with an SBACS discount of 5%, your gift for choosing ***Joshua Expeditions*** to help with your educational and missions trip needs.

Here is a short list of the benefits of having ***Joshua Expeditions*** help you plan and direct your student travel experiences. Check out the enclosed booklet for more details.

- \* Each and every trip is *customized to your specifications*, including travel dates and payment schedules.
- \* Your own private group...no lumping your students with other schools unless you choose to do so.
- \* Experienced, professional full-time Christian guides to maximize your students' and staff's experience and safety while learning and traveling.
- \* 3-Star or better hotels and quality food.
- \* No registration fees or hidden costs, and no long term, auto-renewing contracts...just outstanding customer service to guarantee your ongoing partnership with ***Joshua Expeditions***.
- \* An investment by ***Joshua Expeditions*** in SBACS to provide donations for need-based travel scholarships for SBACS member school students.
- \* An extensive network of Southern Baptist and other missionaries to connect your students to meaningful mission work.
- \* A gift of 5% discount off the cost of the trips you plan after January 1, 2010!

Joe Moore and Amir Mahadi, ***Joshua Expeditions***' founders, have created much more than a travel company. They provide a turnkey service for schools, even those with experienced traveling staff members, to integrate learning and missions into all your trips. They are sold out to the cause of Kingdom Education and Christian schooling. I encourage you to contact them about your trips and travel.

Have a blessed and restful Christmas,

Yours in Christ,

Edward E. Gamble
