Are you ready for your expedition? You are going to have a great time, but you must prepare. In the weeks before departure, check the weather forecast for your destination by visiting the *Travel Lounge* of our website at www.joshuaexpeditions.org and clicking on Travel Links. Weather can be very unpredictable, so be prepared for a variety of conditions.

Pack comfortable, lightweight clothes and the following items:

- Comfortable walking shoes
- Sandals/Flip-flops
- Watershoes
- Light jacket
- Umbrella or rain jacket

ACCESSORIES

- Passport and a copy of your passport
- Bible, journal and pen
- Toiletries
- Sunscreen (*SPF 20 or higher*)
- Insect repellent
- Personal appliances tend to be bulky, so you may want to share them with a friend.
- Camera, film, extra memory cards (disposable cameras and film can be very expensive in tourist areas)
- Extra batteries
- Travel alarm clock and/or watch are also a good idea
- Games/activities/approved movies for bus rides
- Packaged snacks
- Snorkel & Mask (for beach activities)
- Spending money (*Debit/Credit Card with a PIN for withdrawing cash*)
- Necessary medications in original containers with proper labels – do not combine medications into one bottle. *Be sure to give your group leader a copy of your prescriptions.*

Allow extra room to bring back any gifts or souvenirs you purchase. We also suggest that you write your name and address on the inside of your suitcase.

Put things you might need on the first day into your carry-on. Make sure to keep your money and ID with you during the entire trip.
