State History Tour

Are you ready for your expedition? You are going to have a great time, but you must prepare. In the weeks before departure, check the weather forecast for your destination by visiting the *Travel Lounge* of our website at www.joshuaexpeditions.org and clicking on Travel Links. Weather can be very unpredictable, so be prepared for a variety of conditions.

Allow extra room to bring back any gifts or souvenirs you purchase. We also suggest that you write your name and address on the inside of your suitcase. Put things you might need on the first day into your carry-on. Make sure to keep your money and ID with you during the entire trip.
